

The convenient, new way for customers to authorise one-off and recurring payments

With

## Why PayTo?

### Fixed, low fees

Lower merchant fees than credit cards or BNPL. No chargebacks.

### Always on pays off

Real-time settlement 24/7, 365 days a year.

### Accessible

No app, no sign ups. All your customers need is an Australian bank account.

### Easy integration

Simple APIs get you transacting faster.

### Future proof

Replace your legacy payment channels with Australia's New Payments Platform

### Secure

SOC 2 Type II compliance and no need for customers to login or share details.

### Validated payments

See where your payments are coming from and what they're for.

### Time is money

Get a reconciled payments report and funds sweep 7 days a week.

## Why Azupay?

### 1. Unmatched Experience

Azupay facilitated the first live PayTo transaction and is on the forefront of developing payment experiences using the new channel.

### 2. Exceptional Onboarding

Our resources and success team will take you from agreement to live, making sure you launch as efficiently as possible.

### 3. Enterprise Proven

Azupay has processed millions of real-time transactions for some of the biggest brands in Australia.

Join the innovators modernising their payments with Azupay's real-time solutions
